
A Growing Community

Coralwood is a part of the Alberta Conference district of schools. This sisterhood of schools often comes together for field trips and sports events.

We have twelve churches within the Edmonton area who make up our constituency. They have a vested interest in seeing our school succeed. Pastors come to visit classes on a weekly basis and in turn, our students visit churches blessing others with their talents and gifts.

Our high school is still in the growing phase as we are building our program. Our qualified staff have many years of experience and are ready to support our students in achieving their goals.

Our teachers are well-trained and are required to hold two sets of certification: the Alberta Provincial Teaching Certificate, and the North American Division Teaching Certificate.

We serve families by providing Christian Education from Kindergarten through grade 12.

You can Help!

Parents and friends of the school regularly help us out with attending programs, volunteering, encouraging teachers and staff throughout the year, giving generously to fundraising appeals, and by fervently praying for each student, family, and staff member. Our Home & School Association plan additional programming to support students and families alike.

We would love you to be a part of our community. May God guide you in making the best decision for your child's academic journey and overall development. We are praying for you!

Differences Worth Paying For

Learn about God

Study and memorize Scripture
and Spiritual Songs

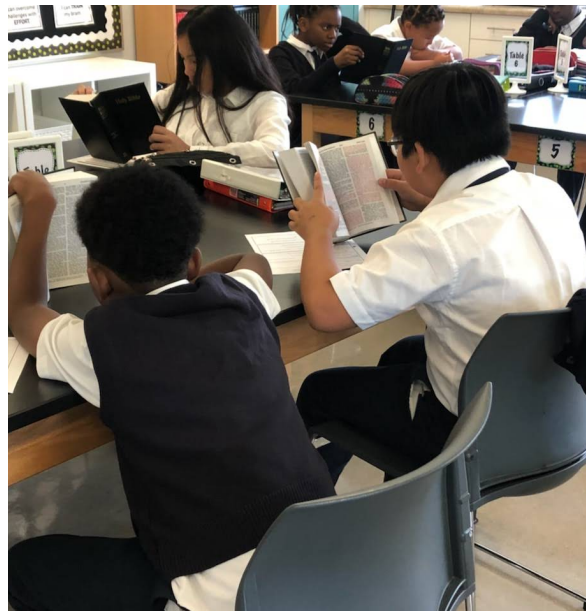

Help students fall in love with Jesus Christ
and choose Him to be their Saviour

A pool of believers from which
to choose friends

Caring Christian teachers who are appealing
role models of the Adventist lifestyle

A curriculum grounded in Biblical Principles

A structured program of wholesome
Social Activities

Coralwood Adventist Academy

Our Mission:

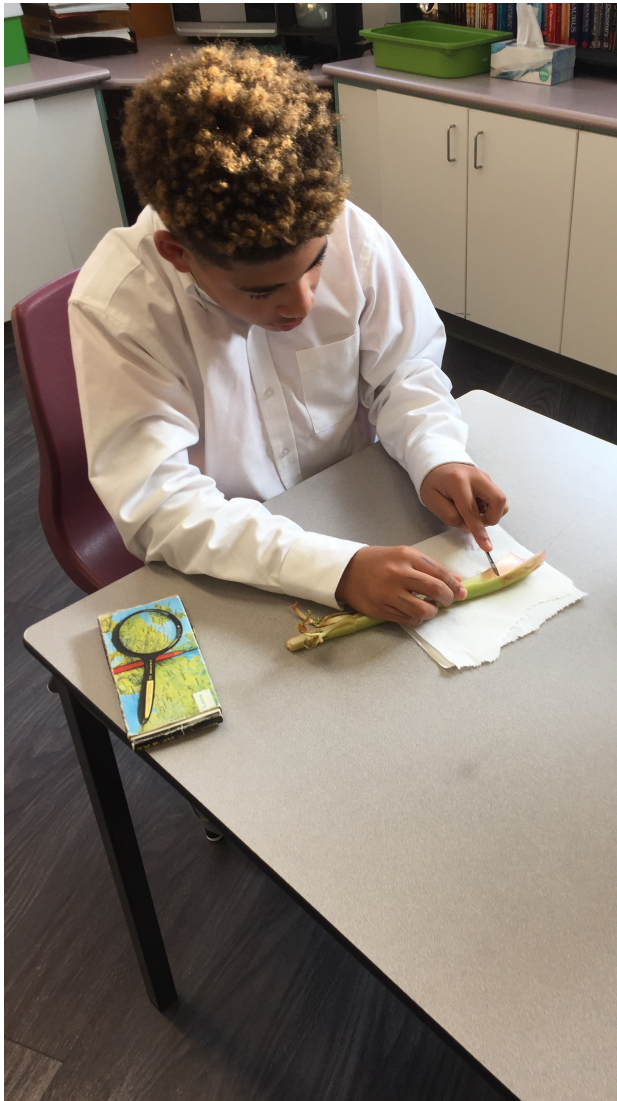

To reach the heart and mind of every student with the Christ-centred message of Hope and Wholeness.

12281 - 135 St. NW Edmonton, AB

Coralwood: Your choice for Adventist Education in Edmonton.

Alberta Curriculum

While Coralwood teaches the same Alberta Curriculum as every other school in Alberta, each lesson is taught from a Christian worldview.

Variety of Options Classes

Should your interests vary from music and arts to computer sciences, we offer classes to explore your interests and develop your talents.

Small Class Sizes

With an average teacher to student ratio of 1:12, each student and teacher have more of an opportunity to tackle academic issues on an individualized basis.

Excellent Post- Secondary Acceptance Rates

Over 80% of our graduates are accepted into post-secondary schools after graduation.

Classes without Walls

The Bible says the heavens declare the glory of God, so we take our students outside to teach them valuable life skills in problem-solving, collaboration, team-work, and survival in an unconventional setting. Through our outdoor school program, students are taken out of the city and thrust into nature where the beauty of their surroundings and the guidance of teachers and trained wilderness professionals help them learn more about themselves and their Creator.

Annual outdoor school trips are scheduled for students from grades 5 and up.

Opportunities for Service

We believe each person was created for a purpose; a divine appointment from God. Students are given the opportunity to use their talents and abilities for service within our school community during chapel services, Weeks in Spiritual Emphasis, and vespers programs.

Students prepare themselves for church visit performances as well as provide acts of volunteer service within our community at large during our MOVE58 days: at seniors residences, the food bank, or around our neighbourhood.
