

ABOUT OUR SCHOOL

We offer education for:

Elementary - Full-Time Kindergarten to Grade 6

Junior High - Grades 7-9

High School - Grades 10-12

Alberta Curriculum:

While Coralwood teaches the same Alberta Curriculum as every other school in Alberta, each lesson is taught from a Christian worldview.

Opportunities for Service:

We believe each person was created for a purpose; a divine appointment from God. Our students are given the opportunity to use their talents and abilities for service within our school and local community. Students are encouraged to participate in weeks of spiritual emphasis, food bank drives, and various other service projects throughout the school year.
